Did you know that NYS offers you \$\$\$ MONEY \$\$\$ if you do well on the Regents?

New York State Scholarships for Academic Excellence is a merit-based program that offers thousands of academically talented students \$1,500 a year/ \$6,000 over 4 years incentives to study at in-state colleges and universities, renewable for up to four years of undergraduate study. Like every other state, New York has a purpose in keeping its talented students close to home.

Students must score high on all New York State Regents Exams to be considered for the scholarship.
